INTRODUCTION

- Elite Football Club London is a proud England Football Accredited club affiliated with the Middlesex FA. Recognised by both the FA and County FA, we are committed to delivering a consistent and high-quality football experience both on and off the pitch. Our club is built around creating inclusive, supportive environments that nurture the development of players, coaches, and volunteers alike.
- Founded in 2017, Elite FC London was established with a clear mission: to create a home for football and education for local children, engaging both boys and girls in a positive, structured environment. Since 2017 we are proud to be a vital part of our local community.
- Our coaching philosophy is rooted in providing a calm, child-centred atmosphere where learning is encouraged and playing football is always enjoyed with a smile. We focus on developing our young players not only as athletes but as individuals—instilling lifelong values such as teamwork, discipline, respect, and resilience.
- Elite FC London's long-term vision is to support the full development of every child, both on and off the field. We aim to provide pathways into elite football, further education, or adult participation in the sport—ensuring that every child has the opportunity to progress, whatever their goals may be.
- Whether you're looking to play competitive football regularly or take part in enjoyable, high-quality training sessions, Elite FC London offers the perfect environment to grow, develop, and thrive. We welcome players who are passionate about football and eager to be part of a club that truly values development, education, and community.

Teams, Development Groups & Competition Pathway

At **Elite Football Club London**, our aim is to provide every player with an appropriate environment in which to develop, enjoy football and progress towards competitive match play.

⚽ **League Teams:** For the 2026/2027 season, Elite FC London currently has the following teams affiliated to the **North London Youth Football League (NLYFL)**:

- **U9 Orange Team -** Competing in the North London Youth Football League.
- **U11 Orange Team -** Competing in the North London Youth Football League.

Players selected for aour league teams will have the opportunity to represent Elite FC London in official league fixtures throughout the season.

🌱 **Development Groups:** Alongside our competitive teams, we operate Development Groups designed to provide structured training and a pathway towards match football:

- **4-7 years / 8-10 years / 11-15 years**

Our Development Groups are an important part of the club. Players are given time to improve their technical ability, confidence, fitness, understanding of the game and ability to work as part of a team.

Teams, Development Groups & Competition Pathway

- 📈 **Pathway to New Teams:** Our ambition is to continue expanding Elite FC London and establish additional age-group teams.

Where we have enough players to form a suitable squad, we will look to organise the group as a team and provide regular match opportunities. Subject to league rules, availability and registration requirements, new teams may also be entered into the **North London Youth Football League from January**.

Where numbers are not yet sufficient to register a full league team, players will continue training together in smaller Development Groups while we work towards building a complete squad.

- 🏆 **Matches & Tournaments:** Being part of a Development Group does not mean players will only train.

Whenever suitable opportunities are available, we aim to organise **friendly matches against other clubs** to give players valuable match experience and help prepare them for competitive football.

Development Groups may also be selected to represent Elite FC London at **football tournaments and festivals**, even where that particular group is not registered as a league team.

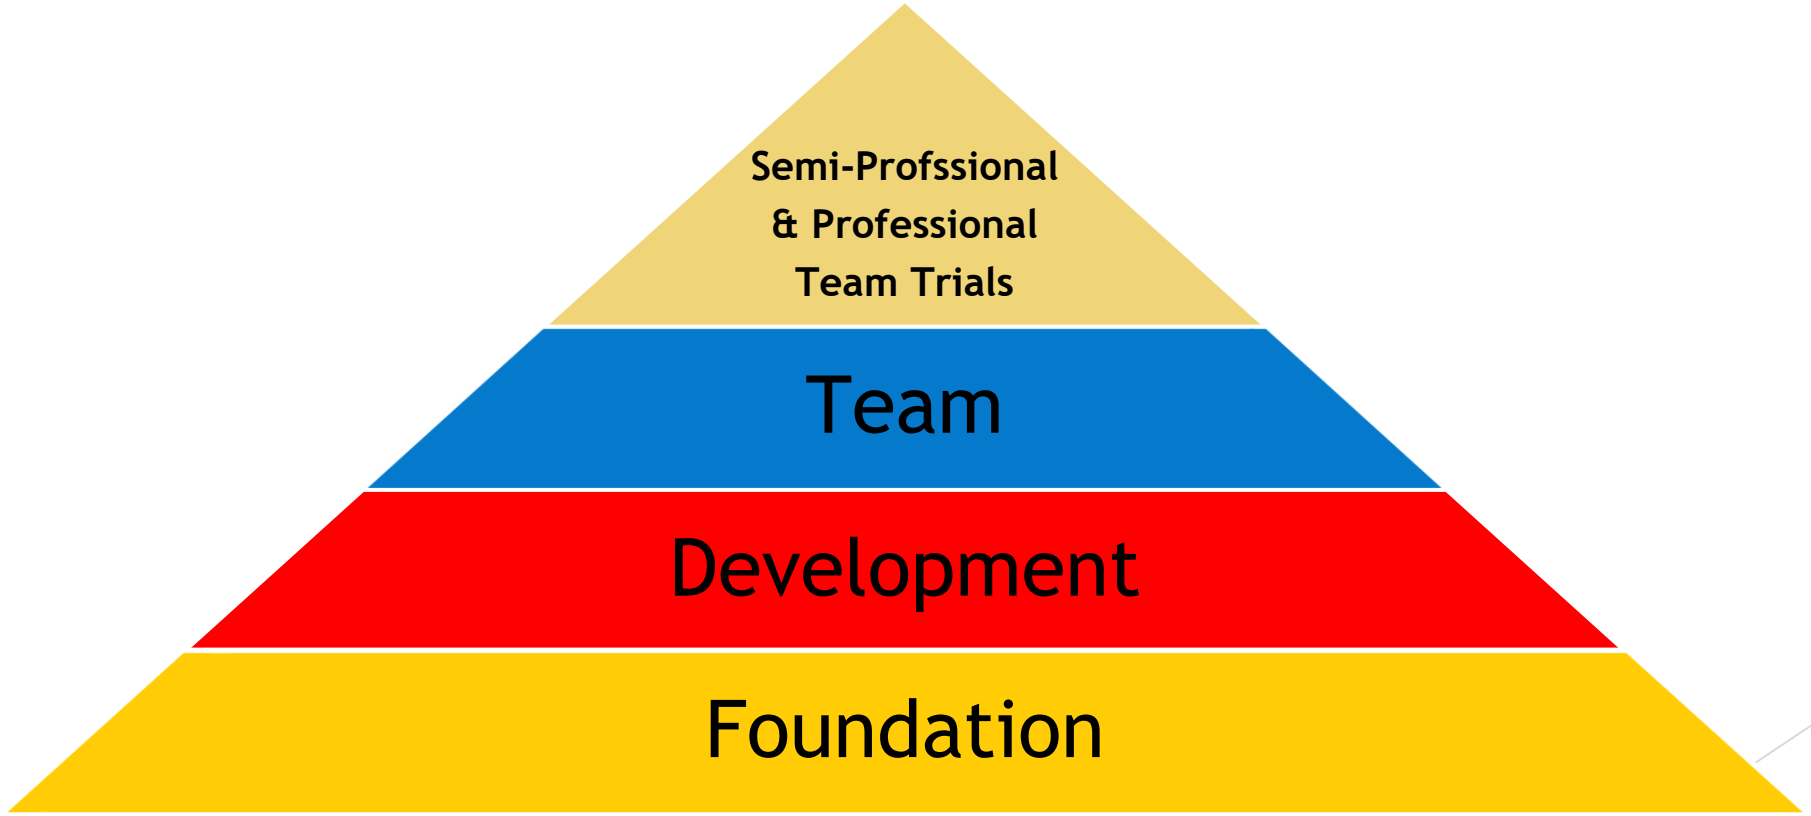

Our objective is simple: **train, develop, gain match experience and create a clear pathway towards competitive team football.**

Every team has to start somewhere. At Elite FC London, we want to give players the opportunity, support and environment to take that next step.

Develop. Compete. Progress. Together.

Club Player Pathway

U4 - U16 - Semi-Professional & Professionals Team Trials

ELITE FC London Player Pathway & Partners

- At Elite FC London, our player development pathway continues to deliver outstanding results. Players who begin their journey with us are given the structure, coaching, and opportunities needed to progress into professional environments.
- In recent seasons, several of our players have successfully moved into academy football, including signings with Watford FC and progression into the Barnet FC Academy & West Ham United FC Academy.
- We are also proud to have players representing at international level, including selection for national team squads, demonstrating the high standard and effectiveness of our development programme.

ELITE FC London - Player Achievements

- We are especially proud to share that one of our players, David Cira, who began his football journey with us at the age of just four, signed with Watford FC at the age of eight in 2024. He continues to be part of their Academy setup today, highlighting both his outstanding development and the success of our player pathway programme.

- We are delighted to share that one of our players, Alexandra Gutoiu, has been selected to represent the Romania Women's U15 National Team. She featured in an international fixture against North Macedonia Women's, where the team secured an impressive 5–0 victory, keeping a clean sheet, an excellent experience in her development journey.
- We are equally proud that she is now part of the West Ham United FC Academy, continuing her progression within a professional football environment.

Congratulations to our player Alexandra Gutoiu who has played on Saturday against North Macedonia . The Romanian National U15s Female Team won with a clean 5-0 A very good experience

Team Achievements & Club Milestones

- Since its establishment in 2017, Elite FC London has built a strong reputation for excellence, providing players with opportunities to compete at a high level and showcase their talent against top opposition.
- Our youth teams have taken part in competitive fixtures and tournaments against professional academies including Arsenal FC Academy, Crystal Palace FC Academy, Chelsea FC Academy, West Ham United FC Academy, Stevenage FC Academy and Queens Park Rangers FC Academy.
  We have also had the privilege of competing at iconic venues such as Selhurst Park and the Tottenham Hotspur Training Centre, offering our players invaluable experiences in professional environments.

Club Fees and Financial Support

- Our fees play a vital role in keeping the club running season after season. Without them, we simply wouldn't be able to continue providing the facilities, coaching, and opportunities that our players enjoy.
- That said, we want to make it clear: we are *not* the kind of club that would ever remove a player simply because a parent or guardian is experiencing financial difficulties. We believe every child deserves the chance to play, regardless of circumstances.
- All we ask is that, if you're facing challenges with payment, please talk to us in advance. Communication is key — and with open and honest dialogue, we can work together to find a solution.

ELITE FC London is a Barnet FC Affiliated Club

The Hive and Barnet FC launched their Affiliate Club Hive Membership package.

We are proud that Elite FC London is part of the affiliated programme for many years. This provides fantastic exclusive benefits for our club members, giving you access to heavily discounted tickets to Barnet FC and London Bees, the chance to win prizes and 'money-cant-buy' experiences, discounted food, drink and merchandise, holiday camps, discounted car parking price or free parking and much more.

Moving forward, this will be the only way for our club members to access reduced cost match tickets. Once a season, our club will still have free tickets for our annual club day, where our club will be the 'Affiliate Club of the Week' at a Barnet FC home game.
